Tapas

While tapas are traditionally a single mouthful (or maybe three) our portions are slightly larger. We suggest 3-4 dishes per person but this is not a hard and fast rule.

The best way to enjoy tapas is for everyone in your group to pick dishes that they like and for everyone to share and try the different dishes.

Our tapas selection includes meat, fish and vegetarian dishes, so there is something for every taste. If you are a group of 4 or more ask staff about our tapas banquet.
